"VERY USEFUL. Keeps me connected at all times and works the way I need it to."

Th3boss440

"GREAT APP FOR ON THE GO WORKFORCE. This app is great for users who are in and out of the office. It offers the same features as my desktop application."

Jbird4228

"WONDERFUL. GREAT APP. It works on the smartphones and PCs. It also allows you to use all the wonderful features while on the move!"

TheRoyalsoftheUniverse

"AWESOME. How can you go wrong with an app that lets you make and receive calls when you are away from the office. It's simple to use. **MUST GET."**

Hithero

"GREAT APP. Very helpful when I am unable to be at my computer and need to chat with someone."

"During Snowmageddon on the east coast, my Customer Service **EMPLOYEES WERE ABLE TO WORK REMOTELY** with full desktop and call center functionality thanks to EvolveIP's DaaS and UC-one mobile app offerings."

"GREAT LITTLE PIECE OF SOFTWARE.

Use it a lot for transferring calls between phones."
